To
Assistant Commissioner for Patents
Box PCT
Washington, DC, 20231

Reference: **PCT/MK99/00006**

Dear Ladies and Gentlemen:

Mr. Stojan VELKOSKI is an inventor from Republic of Macedonia and an applicant for the US Patent. His International Application Number is **PCT/MK99/00006** as you can see from the enclosed PCT Document. His US Priority Date is May 2, 2001.

Mr. Velkoski sent his Application from Republic of Macedonia to the US PTO (Crystal Plaza 3, room 2CO2, Washington, DC, 20231) on April 30, 2001 by registered mail. The copy of the registered mail receipt is enclosed.

Regarding the Patent Filing Fee, by consulting the PCT Division of the PTO, it has been learned that Mr. Velkoski's PTO Filing Fee is \$500 in US currency and that the paying of the Filing Fee by Wire Transfer creates problems to the PTO.

Mr. Stojan Velkoski has asked me to cover his Patent Filing Fee and that is why the check for \$500 payable to the order of the Commissioner for Patents is enclosed.

If you have any questions, please not hesitate to contact me by Phone, Fax or E-mail

Sincerely,

Toma Cakulev
